

BUCKINGHAM PALACE

27th March, 2009

Dear Mr. Jones-McGeer,

The Queen has asked me to thank you for your letter of 23rd February, telling Her Majesty about the work and international aims of the United States Burn Support Organisation.

The Queen was sorry to learn of your personal experience with burns, but interested to know how this eventually caused you to establish your organisation.

As a constitutional Sovereign, Her Majesty acts on the advice of her Ministers, and I have, therefore, been instructed to send your letter to the Right Honourable Alan Johnson, MP, the Secretary of State for Health, so that he may know of your approach to The Queen on this matter and may consider the points you raise.

In the meantime, may I take this opportunity to send you my good wishes for the future of your work in supporting people of all nations.

Yours sincerely,

Mrs. Sonia Bonici
Senior Correspondence Officer

Mr. Brandon Jones-McGeer.
